### Hamlin Girl Marine Helped Win The War

MARINE SGT. E. ROBINSON

The Herald is glad this week to present to our readers a "Girl Marine," one of the many thousands of young women who helped win what we prayerfully hope is this nation's last war. She is Marine Sergeant Elwanda Robinson, daughter of Mr. and Mrs. D. H. Galloway of Hamlin. Here you see her operating an electric overhead crane used in loading cumbersome airplane parts on to flat cars and trucks.

This young woman has married since she entered the Marine Corps, but while she was a single girl, she visited her parents in Hamlin and it was then that the Herald learned from her that she was really a machinist. Her assignment is unique in that she is the only woman at Cherry Point, N. C., largest Marine air base, who operates a mighty crane of this kind. Prior to her enlistment on September 15, 1944, Sgt. Robinson was employed by the Consolidated Aircraft Company at Fort Worth. Her husband is D. C. Robinson of Ranger, Texas.

Welcome to Hamlin again, Lady Marine.

### Business Firms Move To New Locations

Perhaps it has been a long time since Hamlin had so many business changes as in the past few weeks and this week.

We note that the Will A. Parker Harness Shop has moved across the street, as a temporary stand till he can erect a building just north of the Bank.

We see City Electric & Plumbing Company is moving from the stand in the block two doors south of the City Drug Store to their own building, where formerly the Western Auto Store was located.

Claude Lancaster has moved his Western Auto Store to a building recently purchased by him, next door, north of the Modern Cleaners.

All of this moving and adjusting is in preparation for the new fall trade that seems good just around the corner.

Business places are scarce in Hamlin these days. However, there are a few available business lots and locations, suitable for almost any kind of business. What we all would like to see are those burned-out holes filled by modern, comfortable business houses.

What about places for people to have their homes in, you ask? Hamlin is more crowded right now than ever. Every fashion of house, and shanty has been accumulated in Hamlin for places to live in. Building materials are too limited now for any new houses to start. Before many months pass, we believe many returned soldiers and sailors will want some kind of place in Hamlin to house their families. So the housing problem is not going to get better until more materials are available.

### BOYD CHAPEL BAPTIST REVIVAL STARTS AUG. 19

The Revival Meeting at Boyd Chapel starts August 19, and will continue through the 26th.

The Rev. Fred Marland will do the preaching, and Brother Wayne Webb will lead the singing.

Morning services at 10:30.  
Evening services at 8:30.

C. E. DICK, Pastor.

A fine son was born to Mr. and Mrs. H. D. Bolding almost two weeks ago at the Rotan hospital, and this means that Mr. and Mrs. J. B. Eakin are grandparents now. The mother was the former Mary Emily Eakin.

In Egypt the man doesn't know his wife until after he marries her—same as here.

### Carpenter Variety Store Had Big Opening

Last Saturday Mr. and Mrs. Fred Carpenter opened their new store, just south of the McMahon Jewelry Co. It was a "premier" day, and even on Monday, the visitors were as numerous as if an old fashioned sale were on. They do not claim such a big store and an unlimited stock, but they do have a modern lot of the best available, and thus have a right to be proud of their start in business for themselves.

Fred has had so much experience in the buying and clerical work of variety stores till he is well at home now for himself. He was, for many years, the Chief Accountant for the York Stores, and later for Spears & Warren, and then with the Hamlin Home & Auto Supply. Before that, he was with the F. & M. National Bank.

### Eddie Jay Sells Bakery To Walter Burgess

This week you see an announcement from Mr. and Mrs. Eddie Jay that they have sold their bakery to Mr. Walter Burgess, recently of Sweetwater.

This closes ten years of constant build-up of the Eddie Jay Bakery, and now that they are out of the shop, both are catching up on their rest. It is an example of "Success," the way Mr. and Mrs. Jay have worked and made good in this community. One thing we believe we can say—they are not leaving the town that has meant so much to them.

The Herald extends a welcome to Walter Burgess, his wife and baby, and his sister, Mrs. William R. Tucker, who will assist him in the bakery production. Mr. Burgess has been in Hamlin since last March. He is a graduate of the Siebel Institute of Baking and has had 15 years' experience. He was employed by the Sunbeam Bakery in Sweetwater 13 years, and most of that time he was production manager of the plant. We believe Mr. Burgess will produce the highest quality of bakery goods in Hamlin and thus will have a valid claim on our patronage.

### HOLDING MEETING

We are starting an Open Air Revival Meeting this Thursday night, on the vacant lots adjoining the Dode Sanford Service Station.

We shall begin services at 8:30 each night and we invite everyone to come. We shall try to do you good, spiritually. We want your presence.

REV. H. L. MYERS,  
of Fort Worth

### A Great Leader of a Great People Calls Us to the Task of Peace

It is now Thursday, following days of anxiety and uncertainty and the thrill of the emotional announcement of Bill Henry's radio voice at 6:00 P. M. Tuesday, August 14, telling that Japan had accepted unconditional surrender; the magnetic news and strains of our national anthem brought tears to millions of Americans, and all the jubilations across the nation were on, with Wednesday as the most complete holiday ever experienced—this day finds America almost stunned by happy relief, but ready to go forward with our great leaders into an era of peace to all the world, firmly believing that a kind Providence has led us to a righteous victory.

YES, the greatest war of all times has ended... a war that affected more people than ever before and nearly every corner of the world... history will record its many angles, its beginnings, its spread, its horrors, and the unlimited human sufferings.

YES, it is over, and there is so much to be done, so much is expected, and so many heartaches yet to come. We look back over the past three years, eight months and seven days (Dec. 7, 1941 to August 14, 1945) the longest war period in the history of the United States... and really long before that, as the way of freedom was at stake. Today we stand on the threshold of a better world, if we grasp it, or a world of extermination, if we don't. Let us not be arrogant, believing "We Did It," but give our God and our religion all the glory for proving our Democratic way of life—our cause was filled with power from on High. There is a feeling of humbleness and gratitude on this day of Victory.

MILLIONS of America's young men and women are far away from home, bound by the rules of military necessity, who will yearn for release, and it will take all the patience of a patriotic people to bide the time of their arrival. Let us be grateful that now their lives are more secure, and many of the hardships are over.

No time in all history before have one people, one nation held so many responsibilities, and such an opportunity as the United States holds today. But in the titanic struggle that has closed with victory for all Democratic nations, we look back over what this one nation accomplished... so huge, so far-reaching that no human mind can measure it... yet, and yet, who among us believes our nation exerted more than about 50 per cent of our national power? Thank God this side of the world felt but a few blows of the blasts of death the Axis powers hurled against humanity in their imaginations that they were the Great and that all others were so inferior. Thanks and gratitude should be unstinted for our leaders who have led us to victory. The task was too great and complicated to measure. Certainly now, we can forget their errors and forgive their mis-steps in the spirit of brotherhood. All of us are so human that all of us should be tolerant and forgiving.

Yes, the war is over. Three months and six days after Germany gave up. Just four months and two days after the death of Franklin Roosevelt, to whose picture President Truman pointed, saying, "Decorate him." Today we have a living leader, who humbly and earnestly begs each of us to help the government in the great re-construction. May we be patriotic enough to do so.

HAMLIN ON V-J DAY was really jam closed up. Not a single place of business opened... not a service station, drug store, cafe, or anything. Wednesday was the first 100 per cent Holiday ever observed in this town.

The lid popped off Tuesday afternoon at 6:00 o'clock, when we realized that after all, Japan told us she had enough. The dramatic voice of Bill Henry in Washington City broke the news. He seemed almost on the point of crying. Maybe he could have heard some Hamlin tears falling if they had been hooked to a radio just as the beautiful national anthem was being played. Yes, it was a most solemn moment.

Hamlin's fire alarm did not go off as soon as some thought it should, but finally somebody got it going loud and strong... who could believe the world was on the edge of peace again... thanks to the radio for keeping America and all the world posted as to the progress of the slow communications with Japan.

### V-J DAY SERVICE IN HAMLIN

Hamlin people gathered in a union meeting Wednesday night at the First Baptist Church in a praise service as a part of the war closing celebration. The house was filled to the limit. The spirit of thankfulness was in the hearts of everybody. Rev. E. L. Yeats, pastor of the First Methodist Church, delivered a splendid talk on the point that God has ruled.

The American Legion was in charge of the meeting, with W. L. Fletcher, Jr., Post Commander, presiding. Colors were presented by four honest-to-goodness front line boys: Sgt. Alpha O. Butler, Field Artillery; Corporal Joe Stewart, Infantry; Pvt. Raymond Elkins, Marine Corps; and Sgt. Theron White, all with battle records.

The Atomic Bomb seems to have turned the trick, and quicker than those who knew its destructive power could imagine. But let us realize that Japan stopped long before her armies were crippled below the fighting stage. Over thousands of miles of island-studded ocean are still hundreds of thousands of Jap soldiers who have never heard an American or a British gun, or at least, never been conquered by them. Then think of the number in Manchuria, in China, all not yet realizing that they are whipped. So there is a lot to be done yet, before we all feel satisfied that we are through with the Japs.

Now here we are with a pocket full of gas coupons, and nobody will take them. "Ain't that too bad?" But it is really true. Is it going to be hard or slow for Americans to get back to where they can get all of the things they want? Chewing gum, cigarettes, steaks, soap, tires, sheets, and underwear?

NOW ABOUT Something Else: Did you know that the Santa Fe is doing a lot of improving on their tracks which will take about ten months to complete? Did you know that there are about 25 to 50 families who want houses or rooms in Hamlin? They are not all rail road workers, either. Do you have a room, a place for some one to live? Let it be known. Did you know that it is a good thing that price controls are still on and should be on for a long time yet?

One thing about newspaper Errors—if a fellow makes one, somebody gets him told, whereas if it is something perfectly correct and complimentary, seldom anything is heard of it, either directly or indirectly. It is so easy to get a letter in, where it should be "out" and misspell a word; or get a line or letter transposed, or turned "bottom-side-up"; and on and on there are chances for error, until you have counted the chances up into the thousands. This is true in all kinds of human effort. Even in the printing of the Bible, errors creep in, and that's the human side of the complicated factors of the printing industry... only those who know nothing of type and its assembly will fail to forgive the common newspaper errors.

## Announcing - - - SALE OF BAKERY

We wish to announce to the people of Hamlin and surrounding territory that we have sold our bakery to Mr. Walter Burgess of Sweetwater.

We also want to thank each of you for having made Hamlin Bakery possible the past ten years... We feel sure you will continue your loyal support to the New Management.

### SAILOR WRITES

"Dear Editor: Just a few lines to say hello, and let my friends know I am still alive. Thank God, for that."

"I have seen quite a little action since I last wrote you. I have been so close to Japan I could almost smell Hirohito's toast burning. I was in the Okinawa campaign...it was pretty hot, at times. Over our heads would be tracers of red and white fire...real pretty. Of course there was one thing you must keep in mind—get him before he gets you. For the Japs didn't come to play, they meant business. The first two months, the Japs came to see us 193 times. So you see we all spent most of the time at our battle stations, getting sleep just when and where we could. For 63 days and nights, I didn't take off my clothes, only to shower and change. If you hear any one say that it is fun, tell them they can have my place—I am ready to come home. You see, I have had 14 months overseas duty, but now I think I can come within the next four months. "Mr. Pope, I wish I could tell you how I enjoy the Herald. Boys read it who never even saw Texas, and I guess they will never see Hamlin. I am glad to see where so many boys are getting to be at home for a few days, and some with discharges. My day is coming some day."

## CITY DRUG STORE

"The Rexall Store"

HAMLIN,

TEXAS

People used to say there were only two things certain in this funny old world of ours—death and taxes. We would like to nominate a third. And that is that a dollar buys a lot less today than it did fifteen years ago. That's certain, isn't it? Every time you go to a store to buy anything, you can't help realizing it. But—unlike the other two—there is one exception. It's electricity! Believe it or not, a dollar today buys more electricity than ever before!

You may not have noticed it—because with everything else going up in price, you'd likely assume your electricity costs more too. Actually, however, electricity has been coming down in price for years—and has even been reduced since the war. Of course, you've probably added a lot of electrical conveniences to your home in the last few years, and that's another reason you may not have noticed how much the price of electricity has come down. So much, in fact, that if you're an average user of household electricity, you're getting about twice as much for your money as you did fifteen years ago.

And that's quite a trick! Because the business-managed electric light and power companies that supply over eighty percent of our electric needs, have had enormous tax bills—and a lot of other problems to meet since the war. Nevertheless it has been accomplished...through efficient business management on the part of the experienced men and women who operate America's electric light and power companies.

### Appointed Assistant General Manager, Katy

O. W. Campbell

H. M. Warden, Vice President and General Manager of the Missouri-Kansas-Texas Lines, has announced appointment of O. W. Campbell, Director of Personnel of that railroad, to the newly created position of Assistant General Manager of the Katy, with headquarters at Dallas, Texas. In addition to his new duties as operating officer, Mr. Campbell will retain supervision over person-

nel, labor relations and wage agreements, and safety activities of the company.

Mr. Campbell began railroading 41 years ago as a yard and round-house clerk on the historic Iron Mountain line at De Soto, Mo. With the Katy Lines since 1912, his record is one of rapid advancement in the ranks of the operating forces.

Mr. Campbell has also served the Katy as Superintendent and as general Superintendent of Transportation. His broad experience on all of the Katy's operating districts fits him admirably for the new position.

Major Murray Deevers of Dallas commanded the 27th Armored Infantry Task Force which dashed across the Rhine Bridge seconds before time explosives went off, ripped out wires and paved the way for Allied gains.

**WHEN?** We don't know exactly, but it won't be long now. Materials are daily getting more plentiful. As war contracts are steadily reduced, manpower will be available to build peace-time products once again.

**WHAT?** What will the new models be like? No accurate news on that, either. But look for great things from SERVEL, the GAS or BUTANE refrigerator. It was great before the war, but it will be even finer, more efficient, more economical, after the war. No moving parts to wear, to get noisy, to lose their efficiency—nothing but a tiny gas or butane flame. Plenty of them right around here that have been in steady service for 10, 12, 14 years—and still doing exactly the same fine job they did the very first year. No moving parts—nothing to wear!

**WHO?** Who'll get the first Servel Butane Refrigerators? YOU will—IF you place that order NOW, with a small deposit. We're now taking orders on Servel Butane-operated gas Refrigerators, delivery as soon as available, first come first served.

**HOW MANY?** Not many, at first, for civilians. Like automobiles, lots and lots of mechanical refrigerators have been wearing out, during the past few years, and will have to be replaced. And, like automobiles, the essential users will have first call—hospitals, laboratories, etc. A lot of them will be needed for that. Don't wait. If you want to be among the first civilians to have a Servel Butane-operated Gas Refrigerator—ORDER NOW!

**HOW GLAD?** And next summer, will you be glad you did? When you're eating ice cream every day! When you always have plenty of ice cubes—ice water, iced tea, iced coffee, iced lemonade—day after day! When you see how it saves on the grocery bill, by keeping left overs—and by letting you buy large size cans! When you see how it keeps milk, cream and butter! When you see how it keeps you in fresh meat—week after week!

Be the First! Place Your Order for a Postwar Model SERVEL Butane-operated Gas Refrigerator—NOW!

—We have recently installed a large BUTANE STORAGE TANK so that we might be able to give the Hamlin Territory better service. We are also opening an APPLIANCE STORE in Hamlin and will carry a complete line of BUTANE AND NATURAL GAS APPLIANCES.

## POT-SHOTS FROM MCCAULLEY

BY GEO DARDEN

Thanks to B. F. Kemp for a year's subscription to the Herald. Mr. Kemp tells us that he can do without all the papers with the exception of the Herald and Pot-Shots.

Billie Humphries, home on leave from the U. S. Navy, is visiting his parents, Mr. and Mrs. Pete Humphries.

Mrs. Laura Woods has returned from a long visit away down in Georgia and Alabama and reports a wonderful trip.

Mrs. J. W. Ezell of Hamlin visited in the home of Mr. and Mrs. F. L. Rector and attended the revival last Friday night.

Visiting last week in the home of Rev. and Mrs. C. E. Dick were a son and wife, Mr. and Mrs. Edgbert Dick of Anson; Mrs. Sallie Parker and son, Abilene; and Mrs. C. E. Dick, Jr., Plainview, Texas.

A Cafe for McCaulley is in the making. We understand that a Mr. Carter will open a cafe in the rock building next door to the Ice House and will begin painting and moving in this week. Now, we want a helpfully laundry, folks.

Bennie Ray Jones, soldier son of Mr. and Mrs. C. D. Jones of this city, has arrived from a training camp in South Carolina to spend a few days' leave.

Betty Blanche Miers and Margaret Darden have returned from a three weeks visit in Ft. Stockton and the Davis Mountains. In Ft. Stockton, they visited in the home of Mr. and Mrs. Sim Reeves.

A lot of grown cotton bolls in this vicinity, as well as a lot of fine maize and other feed stuff. Prosperity may be just around the corner.

Mr. and Mrs. W. W. Miers and sons of Lamesa visited last week end with parents, Mr. and Mrs. S. E. Miers.

Miss Mary Ann McCollum has gone to Alabama for a few weeks visit with grandparents and other relatives in that State.

Mr. and Mrs. Cecil Eivens and children of Lubbock spent last week end with his mother and sister in McCaulley.

Mrs. L. E. Rector and Mrs. M. T. Beard entertained a group of friends Friday, Aug. 3, in celebration of the ninth birthday of Patricia Rector, daughter of Mr. and Mrs. L. E. Rector. Games were played, after which the birthday cake was cut and served with refreshments to the following: Jeannine Martin, Vera and Ann Cozart, Sara Kean, Eva and Billy Jo Forbes, Mary Lou Maberry, Bonnie Beth Jones, Frankie Sue Mad-

den, Hoylene Rice, Angela Malouf, Faith Simpson, Betsey Ann and Smithy Dan Maberry, Linda Reynolds, Joy and Palma Lawliss, Jane Pope, Barbara Waldrop, Jo Nell Maberry, Barbara Henderson, Carol Hennington, Shera Maude Eivens, Kay Tanner, Bunny and Margaret Patterson, Patricia Griffin, Jimmy Darden, Robert Prather, Geo. Decker, Robert Angel, Eddie Jay, Jr., Steve Lawlis, Billie Henderson, David Hennington, Teddy Max Masser, Johnnie Riess, and Connie Beavers.

Mr. and Mrs. L. E. Rector and daughter, Pat, left Tuesday of this week for a few days vacation in Ruidoso, New Mexico.

Holman Boyd and Burl Potts have returned from a visit with relatives in East Texas and Oklahoma. On their trip, they visited Miss Velma Lou Boyd at Throp Springs where she is an art instructor in a summer camp for girls.

### Comment No. 1—

Unconditional surrender means just that. We agree with the Russians in that respect. Furthermore, we agree with China with reference to the Japanese Emperor. We think he should be handled as a war criminal of the lowest type and should be burned at the stake—if for no other reason than their cowardly attack on Pearl Harbor.

Peace may come to the world before these lines go to press. Peace-loving people of the Universe should demonstrate their gratitude by thanking the Almighty—and not by going on a drunken spree.

### FLASH!!!

Aug. 14, 1945. 6:30 A. M.—For some reason this scribe couldn't sleep very well all night. At 5:00 A. M., a south wind was blowing gently

through our bed room window, and suddenly the "odor" of a Texas skunk was caught in the south wind which was still blowing in at our window. Our dogs, "Churchill" and "Woots" were having a fit in the direction of the skunk—or was it in the direction of Japan? Any way we couldn't sleep, so we turned on the radio, and lo and behold, Robert St. John was broadcasting that the Japs had accepted our surrender terms. Did we want to shout or did we want to pray? Any way we went from room to room waking the kids and they let out yells of a wild Comanche saying: "Oh, mother, that means all the boys will be coming home! Bill will be coming home! Hooray!!"

We had a notion to load the old .38, the Long Tom shot gun, and the .22 rifle and fire 'em all at the same time, but another urge off-set that one, as we felt deep down in our hearts our gratitude of thanks to a supreme being, the God of heaven and earth for a Victory for which the world had so long waited. Yes, folks, it seems as if the jig is up for the war lords of the Rising Sun. Our boys have fought a good fight and we only hope and pray that they have finished their course so far as war is concerned, and that very soon men may settle down to a just peace in a world where wars have wrecked and ruined many a home and country.

### What It Means To Preach Christ

(Concluded)

IV. Christ is now King in all the fullness of His power.

"And from Jesus Christ, who is the faithful witness, the first born of the dead, and the ruler of the kings of the earth." (Rev. 1:5) Christ is now universal potentate.

"Which he wrought in Christ, when he raised him from the dead, and made him to sit at his right hand in the heavenly places, far above all rule, and authority, and power, and dominion, and every name that is named, not only in this world, but also in that which is to come; and he put all things in subjection under his feet, and gave him to be head over all things to the church, which is his body, the fullness of him that filleth all in all." (Eph. 1:20-23) There is no power, authority, rule, dominion, or greater glory than that enjoyed by Christ at God's right hand. This position he has occupied since he was raised from the dead and exalted to God's right hand.

All of this Philip preached when he preached Christ. No preacher today can preach Christ and leave out the gospel of the kingdom of God exactly as it was preached then. All of the speculative, so-called prophetic preaching that is done today concerning a thousand years' reign on this earth by Christ when he comes again, denies the present position of Christ and therefore undermines the very fundamentals of the Gospel of Christ.

When Philip preached Christ, he preached the name of Christ. In the light of all that men preach about "One name being as good as another in religion," and "There isn't anything in a name, anyway," it is enlightening to review what the Bible teaches regarding the name of Christ that we may know what Philip preached when he preached Christ. Bible teaching concerning the name of Christ can be summed up from just a few passages of Scriptures. Isaiah prophesied that a new name would be given by the mouth of the Lord when the Gentiles saw God's righteousness (Isa. 62:2). Jesus instructed Ananias to go to Saul in the street called Straight, in the city of Damascus, for, "He is a chosen vessel to bear my name before the Gentiles and the kings of the earth." (Acts 9:15). In Acts 11, we learn that the gospel had been taken as far as Antioch of Syria, and the Gentiles had accepted it and for the first time both Jews and Gentiles were brought into a common fellowship in a congregation. Barnabas had been dispatched from Jerusalem to Antioch and he sought Saul out in the neighboring province of Cilicia, and together they preached and taught the gospel in Antioch. While Saul was there, in accordance with prophecy and promise, "The disciples were called Christians first in Antioch." (Acts 11:26). This is the new name that God has promised by Isaiah.

Concerning this name, Peter said, "If any man suffer as a Christian, let him not be ashamed; but let him glorify God in the name." (I Peter 4:16). This has been said of no other name.

In Colossians 3:17, Paul teaches, "And whatsoever you do, in word or in deed, do all in the name of the Lord Jesus." This simply requires that we do nothing in any other name.

Furthermore, we hear the declaration, "And gave unto him the name which is above every other name," and learn that no name is as good as the name of Christ. (Phil. 2:9)

Finally, Peter made the matter of the name definite when he testified, "He is the stone which was set at naught of you the builders which was made the head of the corner. And in none other is there salvation: for neither is there any other name under heaven, that is given among men, wherein we must be saved." (Acts 4:11-12). Here the final word is that there is no salvation in any other name.

Attend the Church of Christ. Bring the whole family.
